2. Open the IE Tab extension settings by right-clicking the following icon, or by going selecting Edge options -> Extensions, and selecting **Extension options** 

3. Scroll down until you see IE 8 Forced Standards Mode and select the option -

IE Compatibility Mode		
This feature enables you to emulate different versions of IE. On Windows the default emulation mode is IE 7. In general you should use the "Forced" option. Read more about these options at the IE Team Blog		
	O IE 7 Standards Mode	
_	O IE 8 Standards Mode
